

JAI HIND BUSINESS CONCLAVE- BBA INITIATIVE

MISSION & VISION

Due to the widening gap between educational institutions and the requirement of the Industry, there is a necessity to ensure that education reflects changing work tasks and employment structures. This program blends Industry Exposure with Academic Knowledge and is intended to prepare ready-to-be-employed Business Graduates. This special programme - is designed in collaboration with Tata Consultancy Services (TCS).

We at Jai Hind College are always on the lookout for new ideas that take education far beyond the limitations of a classroom. Our newest event, the brainchild of the BBA Department, the Business Conclave does just that. We have launched this event as the first batch of BBA during the 75th anniversary of Jai Hind College (Autonomous), Mumbai (1948).

Jai Hind Business Conclave aims at bridging the gap between classroom learning and the real world and provides a unique platform for industry leaders business heads and the policymakers of our country to drive forward innovative ideas and foster a shared vision for a better, brighter and rejuvenated idea
