Organic Chemistry	10

For fee structure visit <http://jaihindcollege.com/degree-admissions.html>

### Eligibility & Admission Criteria:

A learner for being eligible to apply for admission to the M.Sc. degree course by papers in Chemistry must have passed: -

The B.Sc. degree examination of this University or degree of any other University recognized as equivalent thereto with Minimum 46 credits or its equivalent (i.e, the minimum credits required for majoring in a subject, and excluding the credits for optional courses) of the subject which he wants to offer (Chemistry) for the M.Sc. degree course by papers.

An **entrance examination** will be conducted for admission to the M.Sc. program. Admissions will be on merit (percentage of aggregate marks/grade secured in Sem 5 & 6 of B.Sc.) as well as marks secured in PG entrance test conducted by college. The examination will be based on undergraduate Chemistry syllabus. Reservation criteria shall be followed as prescribed by the Government & University at the time of admissions.
