

**JAI HIND COLLEGE, AUTONOMOUS**  
**CA I TIMETABLE - FYBSC SEMESTER II- FEBRUARY 2023**

15 -17 th February '23 - Session : 10.00 am to 11. 00 am  
20th February '23 - Session I : 10.00 am to 11.00 am and Session  
II : 11 :15 am to 11:45 am

Duration: 30 minutes for each paper

Total Marks: 20

| Date                             | Session                  | Course Code | Course               | Course Title   |
|----------------------------------|--------------------------|-------------|----------------------|--|
| 15th February<br>2023, Wednesday | 10.00 am to 10:30<br>am  | SCHE201     | Chemistry            | Concepts of Physical and Inorganic Chemistry -II             |
|                                  | 10:30 am to 11.00<br>am  | SMAT201     | Mathematics          | Calculus II  |
|                                  |                          | SBOT201     | Botany               | Bryophyta, Pteridophyta and Phanerogams                      |
| 16th February<br>2023, Thursday  | 10.00 am to 10:30<br>am  | SCHE202     | Chemistry            | Concepts of Organic and Inorganic Chemistry- II              |
|                                  | 10:30 to 11.00 am        | SMIC201     | Microbiology         | Microbial Diversity  |
|                                  |                          | SLSC201     | Life Sciences        | Life Sciences at the Molecular and Cellular levels           |
| 17th February<br>2023, Friday    | 10.00 am to 10:30<br>am  | SMAT202     | Mathematics          | Algebra-II   |
|                                  |                          | SBOT202     | Botany               | Anatomy, Physiology and Ethnobotany                          |
|                                  | 10:30 to 11.00 am        | SPHY202     | Physics              | Electricity and Electronics                                  |
|                                  |                          | SMIC202     | Microbiology         | Exploring Microbiology                                       |
| 20th February<br>2023, Monday    | 10.00 am to 10:30<br>am  | SFC201      | Foundation<br>Course | Foundation Course in Communication Skills in<br>English - II |
|                                  | 10:30 am to 11.00<br>am  | SPHY201     | Physics              | Mathematical Physics, Waves and Oscillations                 |
|                                  | 11 :15 am to 11:45<br>am | SLSC202     | Life Sciences        | Elementary genetics, ecology and behavior                    |

**INSTRUCTIONS TO CANDIDATE**

1. Candidate must produce their College identity card at the time of examination.
2. Candidates should know their unique Identity number (UID) which is written behind the College identity card for appearing in the examination.
3. Students are warned not to indulge in any unfair means practice. Strict action will be taken according to the Exam Ordinances.
