Action Taken Report on Feedback taken

2018 – 2019

Department: **BMM**

Suggestions	Action taken
Initiation of various clubs is appreciable	Activities of existing clubs were strengthened for co-curricular activities

Department: **Psychology**

Suggestions	Action taken
Research should be focused on publication in Peer reviewed / UGC CARE journals rather than institutional Journal.	Apart from in-house journal, a few research projects of students were published in UGC CARE listed journals

Department: **Botany**

Suggestions	Action taken
Experiential learning through field visits and specialized training can be introduced.	Internship component was introduced in the curricular framework of second year

Department: **BAF**

Suggestions	Action taken
Certificate Courses – Good courses have been introduced	The enrolment of certificate courses was increased and kept in batches
Internship appreciable	Internships were made a part of curricular framework

Department: **B. Voc. SD**

Suggestions	Action taken
May think of introducing more add-on, value-added short-term courses	Short term certificate courses introduced in collaboration with IT department
