INTRODUCTION

- The Training & Placement Cell was started with the collective vision and support of the esteemed faculty of Jai Hind College for the sole purpose of assisting the students of this college to get the best of internship and placement opportunities and avail training for the development of skills required for facing the corporate world.
- Students from our college are well trained, knowledgeable, and professional with a variety of skill sets to offer prospective companies.

The Placement Cell was successful in getting 100+ companies to recruit the students of this college for the 2023 graduating batch.

The Internship Cell was also successful in getting 80+ companies to offer internships to the students of the second year and third year of college for the Academic Year 2022-23.

ACKNOWLEDGEMENTS

The Training & Placement Cell and the Internship Cell is extremely thankful for the support provided by the Principal, Dr. Ashok Wadia and all the faculty members throughout the placement season. The cell is also very grateful to all the companies on board this year. Lastly, the Cell is thankful to the students of Jai Hind College for their enthusiasm, both as candidates for the placement opportunities and the representatives of the team.
